A map of the Osaka Bay area. A small orange shape at the bottom represents the city of Osaka. Two lines extend from this shape to two white circles. The circle on the left is labeled '住吉東駅 Sumiyoshi Higashi' and the circle on the right is labeled '長居駅 Nagai'. A blue line representing a river or bay flows from the top left towards the bottom right, passing between the two circles.

A map showing the locations of Sumiyoshi Higashi and Nagai stations. Sumiyoshi Higashi station is marked with a black dot and labeled in Japanese (住吉東駅) and English (Sumiyoshi Higashi). Nagai station is marked with a black dot and labeled in Japanese (長居駅) and English (Nagai). The map includes a blue line representing a river or canal and a yellow line representing a road or path.

A map of the Osaka Bay Cruise Ship Terminal area. The terminal is represented by a small orange shape at the bottom. Two lines extend from the terminal to two circular markers. The marker on the left is labeled '住吉東駅 Sumiyoshi Higashi' and the marker on the right is labeled '長居駅 Nagai'. The background shows a light blue river or bay and grey land areas.

A map of the Taisho station area in Tokyo. A black line connects a white circle to the station name. The circle is positioned over the station area, and the line extends to the right, ending at the text '大正駅 Taisho'.

2

A map of the Taisho station area. A black circle with a white center is labeled "大正駅 Taisho" in black text. A line connects this circle to a small, light brown, irregularly shaped area representing the station platform, which is situated next to a light blue body of water.

2

A map of the Yokozutsumi area. A black circle highlights a specific location, with a line pointing to a larger, more detailed map of the same area on the right side of the page. The text '横堤駅' (Yokozutsumi Station) and 'Yokozutsumi' are written above the highlighted circle.

2

A map showing the location of Yokozutsumi Station. The station is marked with a black dot and labeled in Japanese (横堤駅) and English (Yokozutsumi). A line connects this dot to a larger black dot on a map of the entire island of Hokkaido, indicating its location within the island.
